KEYS QUALIFICATIONS

Guillaume Sauvaget has an extensive experience in the construction industry.

Throughout his career, Guillaume has been working for more than 25 years as senior in-house legal counsel and as legal manager for the major companies in the construction industry in France and internationally.

Guillaume Sauvaget has worked in over 30 countries on 5 continents and was based during his career in United States, Russian Federation, South Africa and Central Europe, continuously adding to his elaborate portfolio, which includes high profile projects such as Caspian Pipeline Project in Russian Federation or PPP highway project in Hungary.

Since he joined the consultancy firm PS Consulting as a Partner in 2016, Guillaume has helped his clients with a variety of services including dispute resolution, international construction contracts negotiation, claims management and has been nominated to serve as a neutral on dispute boards.
